Riverwest Market
June 6th-October 31st 2021
2700 N Pierce Street

Hello Farmers and Vendors!

The 2021 Riverwest Market season begins **June 6th** and continues for 21 weeks until **October 31st.** The Market will be held Sundays from **10am-3pm** on **2700 N Pierce Street**. There will not be a market on *July 4th*.

The full season fee for 2021 is **$225** for 1 10x10 spot
The daily fee is **$15** if you register now for specific dates.
The day-of vendor cost is **$20** and is not guaranteed to be available

All vendors are expected to grow, craft, or make the products they sell.

The market operates in any weather, except weather that poses a safety threat to customers and vendors (considerable thunderstorms or other dangerous weather conditions). Our staff will use their discretion to cancel the market. Staff will contact you at the phone number and email you provide in such a situation, as well as post on social media.

The Market expects vendors to bring the appropriate licenses/permits with them to every market. These licenses differ depending on the goods being sold. It is expected that vendors know what licenses are required for their products and what steps are taken to fulfill the requirements associated with the licenses. If you do not know the correct licenses that you need, the License Division or Health Dept. may be able to help. Contact them at 414–286–2238 and 414-286-3521 or by visiting the link(s) below:

In accordance with staff, vendor, customer, and resident neighbors' safety and logistics, all vendors must be set up and ready by 9:45 AM every Sunday. Although, it is in the vendor's best interest to be set up earlier as early shoppers are common. We ask that vendors communicate in an attentive and timely manner with market management on changes of attendance.

If you are unable to make your scheduled market day, we require notice the Wednesday before a market Sunday to provide other vendors an opportunity for a vacant spot. We understand that unforeseen circumstances may arise like illness, injury, family emergencies, etc. In the case of an emergency, please contact market management as soon as possible.
